

## Gillett Heritage Academy Volunteer Program

Gillett Heritage Academy welcomes volunteers in our schools. If you are interested in volunteering in any capacity, please let your child's teacher or the office know. We appreciate any amount of time you can give, either 30 minutes or up to all day, one day a week, or one day a year!!

Some suggestions for volunteer activities would be, but are not limited to, the following ideas:

- Eat breakfast or lunch with your child in the cafeteria
- Play with your child's class at recess
- Read a story or chapter to the class
- Assist the teacher in Art, Music, PE or Library
- Tell the class a story about when you were in their grade (show photos, books, report cards, awards, trophies)
- Share a hobby (knitting, chess, painting, magic tricks, cooking)
- Help classroom teachers with a unit of study (experiments, spelling bees, math races)
- Share stories and experiences from your travels
- Share historical stories about eras from the past
- Demonstrate special talents you have (cake decorating, crafts, musical instruments, collections)
- Or come up with your own idea, just clear it with the teacher first

If you are willing to help, please fill in the information listed below and return this form to your child's teacher

Address \_\_\_\_\_

Home Phone \_\_\_\_\_ Cell Phone \_\_\_\_\_ Work Phone \_\_\_\_\_

### Amount of Time You Can Donate

_____ Once a Week	Number of Hours _____
_____ Once a Month	Number of Hours _____
_____ Once a Semester	Number of Hours _____
_____ Once a Year	Number of Hours _____

Moms please choose a day in October and/or February

Dads please choose a day in November and/or March

Grandparents please choose a day in September or January

**\*\* PLEASE CONTACT THE CLASSROOM TEACHER TO SET UP YOUR DAYS IN ADVANCE \*\***  
We appreciate you taking time out of your busy schedule to volunteer your time at our school. We feel the students will benefit from your presence. Your making this commitment will show the importance you place on your child's education, which will make a profound impact on your child and probably on other children as well.
